Clean & Pure®

Pool Salt

As Pure As Water

High Purity

Clean & Pure® Pool Salt is specifically engineered for pools using chlorine generators. With over 99% purity, it helps to ensure clean and clear water clarity.

Safer Ingredients

Unlike harmful chlorine chemicals, Clean & Pure® Pool Salt is formulated with non-hazardous ingredients that are safer to handle and are gentler on the eyes, skin and hair when dissolved in the pool water.

Fast Dissolving

This premium, 99.8% soluble Clean & Pure® Pool Salt is made from extra fine, quick and evenly dissolving crystals.

Environmentally Friendly

Clean & Pure® Pool Salt is formulated with environmentally friendly ingredients that are safe for all pools and eliminate the need to use hazardous chlorine chemicals.
